BECKWITH'S ANTI-DYSPEPTIC PILLS
have been most successfully employed in almost every variety of functional disorder of the stomach, bowels, liver, and spleen; such as hearthurn, acid eructations, nausea, headache, pain and distension of the stomach and bowels, incipient diarrhœa, colici, jaunduce, flatulency, habitual coativeness, loss of appetite, sick headache, sea-sickness, &c., &c. They are a safe and comfortable aperient for females during pregnancy and subsequent confidement; relieving sickness at the stomach, headache, hearthura and many of the incidental nervous affections. Literary men, students, and most other persons of sedentary habits, find them very convenient. Those who indulge too freely in the pleasures of the table find speedy relief from the sense of oppression and distension which follow, by taking the pills. As a dinner pill, they are invaluable. Those who are exposed to the vicissitudes of weather on voyages or journeys, can take them at all times with perfect safety. In full doses they are a highly efficacious and safe antibitious medicine. They seldom or never produce sickness at the stomach or griping.

There have been many imitations and worthless counterfeits of these pills put in circulation by unprincipled and ignorant persons—the directions, wrappers, &c., of the genuine pills so closely and accurately copied, that the closest observer could not, without a trial of their effects, distinguish between them.

PROSPECTUS OF THE NEW LIBRARY OF LAW AND EQUITY, under the direction of Francis J. Troubst, esq., of Philadelphis, Hon. Ellis Lewis, of Lancaster; and Wilson McCandless, esq., of Pittaburgh.

This work contains the best productions of English law authors, without regard to priority of claim on the part of any American publisher. Such books are now notoriously too dear. The reason is, that as fast as they appear, they become monopolies in the hands of booksellers in the Atlantic cities. Under the pies of right, acquired by the addition of notes of American decisions, the latter claim an undivided title to those works, and set a burdensome price on them. The publishers of the work now offered to the profession throughout the Union, will not respect such titles, but will reprint the standard British law books as fast as they emanate from the London market. Should new editions of the works of such writers as Starkie, the Chittys, Stephen, and Archbold, appear, they shall also be included; and digests of equity and law decisions—works which have been studiously kept out of the Law Library published at Philadelphis—shall have a place in the proposed new one, together with every new valuable English treatise on chancery or common law.

GREAT ENGLISH REMEDY

By the President of the United States.

In pursuance of law, I, JAMES K. POLK, President of the United States of America, declare and make known that public sales will be held at the undermentioned land offices in the TERRITO RY OF WISCONSIN, at the periods hereinafter

GREAT ENGLISH REMEDY

For Coughs, Colds, Asthma, and Consumption!

THE great and only remedy for Colds, Cougha,
Asthma, and Consumption, is the Hungarian
Balsam of Life, discovered by the celebrated Dr.
Buchan of London, England, and introduced into
the United States under the immediate superintendence of the inventor.

The extraordinary auccess of this medicine in the
curse of pulmonary diseases, warrants the American
agent in soliciting for treatment the WORST POSSIBLE CASES that can be found in the community; cases that seek relief in vain from any of the
common remedies of the day, and have been given
up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has
cured, and will cure, the most desperate of cases.
It is no quack nostrum, but a standard English
medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not
only to counteract the consumptive tendencies of
the climate, but to be used as a preventive medicine
in all cases of Colds, Coughs, Spitting of Blood,
Pain in the Side and Chest, Irritation and Soreness
of the Lungs, Bronethits, Difficulty of Breathing,
Hectic Fever, Night Sweats, Emaciation and General Debility, Asthma, Influenza, Hooping-Cough,
and Croup.

Lag-Sold in large bottles at \$1 per bottle, with full
directions for the restoration of health.

Pamphlets, containing a mass of English and
American certificates, and other evidence, showing
the unequalled merits of this great English remedy,
may be obtained of the agents gratuiously.
